Deceased Owner or Co-owner Application Guidance

If a person that is listed as lot owner on the Claim Application is deceased, we are sorry for your loss.

In order to complete the Claim Application, it will be necessary to provide more information in response to Question 3. The individual completing the Claim Application will also be asked to provide a Death Certificate and documentation showing: (1) who is the legal representative of the estate for the deceased person; or (2) the person(s) who received the decedent's interest in the lot (if the estate already has been closed).

Remember: To be eligible to participate in the Compensation Plan, you must submit a completed Claim Application for each lot that was purchased by the **December 12, 2022** deadline. If you have questions about how to complete any parts of your Claim Application, please visit the Contact Us page of the Receiver's website [here](#).
